

Burgundy

Top 40 Dance/Variety Band

Burgundy has pleased audiences for more than two decades, playing dance music ranging from the swing songs of the 40's to the varied sounds of the present. With 9 members, including 4 lead singers and an incredible three piece horn section, Burgundy is able to play a wide range of musical styles, including soul, R & B, oldies, rock and roll, Dixieland, pop, disco, funk, reggae, rap, and country. Burgundy takes particular pride in the fact that they play all live music, as opposed to the computerized pre-recorded sounds of many bands today.

Burgundy is perhaps best known for their high-energy show and their ability to get any crowd to dance. Their songs are specifically chosen for their dancability. With their experienced musicians and sound and light crew, your function can be worry free. We guarantee a great time!

Burgundy has performed from New Orleans to the Caribbean, for clients including Holland America and Commodore Cruise lines, Boomtown and Treasure Chest Casinos, and Mardi Gras Krewes including Endymion, Caesar, and Thoth. As the sole entertainment for the city of Gretna's annual Lundi Gras Party, the band draws a crowd of more than 6000-people!

Burgundy's legions of fans consider them the best cover band in town.
