

# Louisiana Spice

## Corporate Events:

Over the years, Louisiana Spice has had the privilege to play for many different types of engagements. The success is primarily due to the band's versatility in musical styles, dynamic stage performance, and energetic choreography with occasional costume changes when appropriate. The reputation is unsurpassed.

Louisiana Spice is capable of playing any type of function; large or small. Louisiana Spice recently purchased a new "state of the art" sound reinforcement system from a company in England called "Meyer", and a 32 channel mixing console from "SoundCraft". The clarity of this system enhances the live show with a CD type quality.

Louisiana Spice has played all the major hotels in the New Orleans area, Mardi Gras Balls, Company Christmas Parties, Festivals, Benefits, Fund Raisers, Casino's, Church Fair's and many more. Louisiana Spice always guarantees a great time for all.
