RANDOM ACT RECORDS showcases new or unheralded artists from around the globe. Started by Random Acts Entertainment co-founder Scott Elias, a lifelong musician himself, the label will donate a minimum of 10% of profits to worthy causes, like the Jazz Foundation of America.

Random Act Records would like to announce the release of **Dave Braham's** album, "To Be Free." Buy it now and start enjoying some unique Jazz tracks.

REUNION of Friends

On "Reunion", **Vinnie Colaiuta**, the legendary drummer who has performed with Frank Zappa, Sting, Joni Mitchell, Herbie Hancock, Chick Corea, Steely Dan and so many others, joins his longtime friend **Jeff Lashway** for a smoking set. Vinnie rarely records straight ahead jazz: This is a great opportunity to hear him swing.

Jeff's arrangements provide ample solo space for Vinnie: The drummer opens the CD on the burning "Get to the Gate," solos over a 7/4 vamp on "SweetBop," and trades scorching choruses with pianist Lashway on "Gingerbread Boy." Vinnie even plays some Dixieland/Second Line on the "For NOLA" medley!

Enjoy this unique "Reunion" of two very talented friends...

Random Act Records is proud to announce the release of **Jeff Rupert's** album, "From Memphis to Mobile." This is Jeff's first album with RAR. We invite everyone to visit his artist page to learn more about this Florida based musician.
