### Jeff Lashway

Pianist Jeff Lashway hails from Pittsburgh -- While he has played, toured and recorded with several artists, he is best known for his tenure with jazz legend Maynard Ferguson. Jeff was Maynard's final pianist. On his first release, "Reunion," he is reunited with longtime friend Vinnie Colaiuta. This is a rare straight-ahead session for Vinnie. Also on board is the amazing vocalist Jimmy Hall, formerly the lead singer with Wet Willie. This is an incredibly accessible, swinging CD, with stellar performances by all the musicians, including Jim Rotondi, John Allred and Jeff Rupert.
