(Recorded music of the styles are played through the sound system and are coordinated with the narration)

1917 to 1924 1st Jazz Recordings

Add Trumpet, Clarinet & Trombone

Six-Piece

(20 minutes)

(This is the era that established Jazz - the presentation will cover the three most important bands of this era)

(Dixieland to Traditional Early Jazz)

(This time period will also showcase the transitional solo pianists moving from Ragtime to jazz to stride)

1925 to 1928 Dixieland, Trad Jazz, early swing to the start of the Big Band era

Six-Piece

(15 minutes)

This is the era that flourished with hundreds of bands performing and recording.

We will talk about and perform the music of the most important and influential that include:

Bix Beiderbecke, the introduction of Louis Armstrong in 1925, Benny Goodman's transition from Trad to Swing to Sidney Bechet and the resounding "stride" pianists.

This show is exhilarating and presented in a manner in which your guests will walk away with a fantastic understanding of where jazz comes from, how this "new" American musical style evolved and how it all came together.

All the music is presented in a historically correct timeline of performed and recorded music history

Price includes:

A six member band to include Trumpet, Clarinet, Trombone, Piano, Bass and Drums

A sound system to present the narration, band and recorded music.

Starting at \$3,500.00 and up to \$6,500.00 for a presentation you will remember for a lifetime!
